Jason Haye, National Sales Director
Velocity Mortgage Capital

With more than 20 years of experience in the mortgage industry, Jason has been the National Sales Director at Velocity Mortgage Capital since January, 2014. Velocity is a nationwide, direct portfolio lender, specializing in financing investment properties with a lending philosophy geared toward investors who have trouble qualifying for traditional bank programs. Velocity owns the lending space between banks and hard money lenders by offering flexible mortgage solutions for their brokers' extraordinary clients. Prior to Velocity, Jason has an outstanding record leading large, successful productions centers and has played a critical role in maintaining Velocity's dominance as the alternative lender of choice.
