

JASON C JEFFERIES
FREDDIE MAC
SINGLE FAMILY AFFORDABLE LENDING MANAGER

Jason C Jefferies is a Lending Manger in the division of Affordable lending and access to credit at Freddie Mac. Mr. Jefferies is responsible for creating, implementing and executing affordable lending strategies for financial institutions nationwide. These strategies foster economic empowerment, increase loan production and embrace CRA lending requirements.

Prior to his current role within Freddie Mac, he assisted in creating and implementing plans, policies and strategies to ensure CRA examination success for a \$42 Billion-dollar national bank, as the Senior Community Development officer.

Mr. Jefferies is a board member of the New York Mortgage Coalition, has a Master of Business Administration with a concentration of Finance and Management, as well as a Bachelor's Degree in Psychology. He credits his expertise to his faith, years of service to communities nationwide, successful entrepreneurial endeavors and his family.
