

Allen Beydoun
Executive Vice President of Sales
United Wholesale Mortgage

Allen Beydoun is the Executive Vice President of Sales at United Wholesale Mortgage, leading a team of over 450 account executives, team leaders and division leaders. His leadership has helped propel UWM to being the #1 wholesale mortgage lender in the nation for four years in a row, more than tripling the production of its closest competitor. Beydoun has played an integral role in leading UWM's business development and client service efforts, implementing and executing on strategies and opportunities to grow UWM's broker network and to help grow clients' businesses. Already a leader in technology, innovation and service, UWM successfully grew production by 41% in the last year and climbed to 22% market share.

Beydoun maintains a nationwide presence for UWM, regularly attending various industry tradeshows and independent mortgage Broker offices in order to share best practices, strengthen partnerships, and champion brokers' success in the marketplace. He was recently named a Vanguard Award winner by *HousingWire* magazine and one of the Top 40 Mortgage Professionals Under 40 by *National Mortgage Professional* magazine.
