

Jenny Harlowe's Bio

Customer and Prospect Engagement Manager
Calyx Software

Jenny Harlowe is the Customer and Prospect Engagement Manager for Calyx Software. In this role, she is responsible for increasing product knowledge, productivity, customer retention and new customer acquisitions through the strategic planning, execution and management of webinars and e-learning tools. For the past 12 years, Jenny has served in various capacities within Calyx to strengthen ties to the broker community and support industry endeavors. She has also held positions as a Loan Officer, Real Estate Agent, Business Manager and Account Executive.
