**Founder, The Gulotta Grabiner Law Group, PLLC and Real Estate Data Shield, Inc.**

Christopher Gulotta is the founder of The Gulotta Grabiner Law Group, PLLC and Real Estate Data Shield, Inc. (REDS) and was one of the very first to speak to our industry on the importance of lender oversight of their service providers and information security compliance. He possesses a unique combination of sophistication in lender service-provider needs, regulator expectations and data security compliance obstacles and solutions.

Mr. Gulotta is a Certified Information Privacy Professional (CIPP), having successfully completed the International Association of Privacy Professional's course and certification examination.

Mr. Gulotta is a graduate of Fordham Law School. He has served as a continuing legal education faculty member at Fordham Law School, Pace Law School, The Association of the Bar of the City of New York and the New York State Bar Association. He has been a featured columnist for and interviewed for articles in: *The New York Law Journal*, *The National Law Journal*, *The Title Report*; *The Legal Description*; *Valuation Review*, *TitleNews* etc., on topics including: Service Provider Compliance; Lender Oversight; Information Security Compliance for title and settlement agents; Privacy Law; title escrow funds; RESPA reform; new media and Internet law.

Mr. Gulotta has represented the leading institutional lenders in mortgage finance transactions for over 25 years and has been a thought leader in addressing the most essential needs of lenders — from operations to compliance. His law firm focuses exclusively on representing such lenders and has proudly served as a preferred vendor to some of the leading institutional lenders. He is a member of ALTA's Best Practices Task Force, working with industry leaders to develop timely and prospective regulatory solutions for title and settlement agents as a member of both "Lender" and "Settlement Agent" workgroups.

REDS, recently named ALTA's Inaugural Best Practices *Elite Provider*, is the first industry-specific company to provide title and settlement companies with security compliance tools through its Compliance Management Platform. Its clients include national title underwriters, title agents, settlement agent, law firms, notary networks, etc.
